Social Work Abstracts is our top recommended Social Work research database. Access scholarly research articles written by professionals in the field of social work. To find the full text of articles in Social Work Abstracts, look for linked full text or try the Get It @ UTC links.

### Search Social Work Abstracts

1. **Type a few keywords into the boxes on the search screen.**
2. **Click Search**

**Search Tip:** Use the most important words and phrases of your research topic as keywords. For example, if you need research on case management strategies for adoptions, search adoption and case management to start.

**Search Tip:** If the first keyword combination you try does not give you good search results, try using different combinations of keywords, including synonyms and related phrases.

### Limit Search Results

1. Use the filters on the left side of your results to narrow by source type, date or subject area.

- Narrow to Scholarly
- Narrow by Date
- Additional Subjects
3 Use the Article

- Use tools for printing, emailing, and citing the source.
- When emailing, be sure to select the citation style required by your course.
- Use the permalink as the link to the article. Do not use the link from the top of the browser.

4 Finding the Article Full Text

- Look for Linked Full Text below the article title.
- If you do not see Linked Full Text, then try the red Get It @UTC button to check for other full text options.
