KEEP IT CREDIBLE
Scrubitize your sources and see what others say to select the best information.

CHECK YOUR OWN BIAS
Consider your own biases and how they influence your judgement of the source.

CHECK THE DATE
When was the article published? Has it been reprinted from another source?

BEWARE AUTHOR BIAS
Warning signs: exaggerated or emotional language & a lack of evidence to support claims.

PURPOSE & AUDIENCE
Why was the source created? To entertain, persuade, or inform? Is it sponsored? Who is reading it?

FACT CHECK
Use a fact checking site (Snopes, FactCheck, or PolitiFact) if information seems suspect. Is it satire?

FOLLOW THE EVIDENCE
Click links or search citations to inspect the quality of supporting sources.

EVALUATE THE AUTHOR
Search for the author outside the source. What is their experience and expertise?

INSPECT THE PUBLISHER
Inspect the mission of the site or publication. Search for more info on the publisher.
